LED ASTRA CABINET LIGHT

21280, 21282, 21281, 21283

The Astra features a high output 3W COB LED to offer superior performance and light over the working area whilst only consuming a total 3.6W of energy. Smooth even lighting is provided from a single light point and frosted lens. Recessed or surface mounting options available. Non-dimmable. Note: Requires 12V DC Driver.

Available in Cool or Warm White. Silver or White finish.
